

Counting Cows

Here is how to play this classic car travel game. Divide the bus occupants into teams, such as the left side and right side. Decide whether the game will end after a certain length of time or for the length of the trip. Count the cows you see on your side of the bus. If you pass a field full of lots of cows, you'd better count fast! If you pass a cemetery on your side of the bus, you can lose all your cows, but only if the opposing team calls out, "your cows are buried!" The team with the most cows wins!

If you want to count more than cows, here's a point system to make the game more interesting:

- 1.) *Cows* = 1 point each
- 2.) *Sheep or goats* = 1 point each
- 3.) *Chickens* = 1 point each
- 4.) *Horses* = 1 point each
- 5.) *White horse* = 10 points each
- 6.) *Mule* = 10 points each
- 7.) *Donkey* = 10 points each
- 8.) *Chimney by itself* = 20 points each
- 9.) *Windmill* = 20 points each
- 10.) *Cemetery* = wipes out points. Start back at zero.
