

Four Corners Group Game

To play the game, give each traveler a pencil and a blank sheet of paper. Have them fold their piece of paper into half and half again so that when it is unfolded the paper is divided into quarters.

Choose four topics such as “favorite book” and have your travelers draw a picture to represent each topic in one of the corners of their papers.

Allow about ten minutes for everyone to work on his or her drawings. Then have each person share at least one thing about themselves with their fellow travelers.

Here are some ideas for topics:

- Favorite hobby
- Favorite food
- Favorite movie
- Favorite show
- Favorite season
- Most important person to you
- Favorite place
- Favorite holiday
- Your hometown
- Favorite book
