

Perplexing Puzzles Answers

Test your logic with these brain teasers that are part math, part logic and part riddle.

- 1.) Four. Calling a trunk a leg doesn't make it one.
- 2.) The letter "M"
- 3.) Musical notes
- 4.) A hole
- 5.) Potatoes
- 6.) The aftermath
- 7.) I'm bigger than you.
- 8.) 763, 852, 941; multiplied together = 611721516
- 9.) Saturday
- 10.) 56 cubic feet
- 11.) I have 14 apples and you have 28 apples.
- 12.) One was born on Feb. 28, 1999 just before midnight. The other was born five minutes later on March 1, 1999. However, the year 2000 is a leap year and Feb. 29 had to occur before the second twin could celebrate their birthday.
