As an accredited member of the Association of Zoos & Aquariums (AZA) the Great Plains Zoo & Delbridge Museum of Natural History in Sioux Falls, SD strives to fulfill four major objectives: Education, Conservation, Recreation and Discovery.

The Great Plains Zoo features over 1,000 animals from around the world. Our 45-acre park offers up-close views of animals often not found in larger zoos, including giraffes, tigers, rhinos and a jumping, hooting array of primates. Watch the playful tiger cubs at the Asian Cat exhibit. Visit mom, dad, and baby rhino at the new “Rare Rhinos of Africa” exhibit. Feed a goat, ride a camel, or get a kiss from a sheep with six horns in the Hy-Vee Face-to-Face Farm. The Zoo also includes the Delbridge Museum of Natural History, a one-in-the-world collection of 150 mounted animals including 36 “vanishing species.”
