

## Rolling Paper Racers

Groups can have a blast racing their roll up and down the bus during the Rolling Paper Racers game!

### Materials:

Two rolls of toilet paper

### Instructions:

This simple game is a fun way to determine which side of the motorcoach gets to exit first, the left or the right. Take two rolls of toilet paper and hand one to each of the front window seat passengers on both sides of the bus.

When you say go, both passengers should start to unroll the paper and pass the roll over their head to the person behind, while holding on to their piece. Each person should continue to pass the roll behind them while holding onto their piece until the roll is passed all the way to the back seat.

If one side breaks the roll, they must start over and try to catch up.

Once it reaches the back seat, the roll should then be passed to the aisle seat passenger, who will pass the roll forward towards the front of the bus on the aisle seats. The first side to pass their roll back to the front of the bus without breaking a piece gets to exit the bus first!
