

Bus Shuffle

This game serves double duty as a fun motorcoach game and a way to keep track of your travelers during stops.

Supplies:

A deck of cards

Poker Hand Sheets

Po-Ke-No sheets, optional

Instructions

1. Take a headcount of your group at the start of your trip. At each stop on the tour, count out the same number of cards as travelers and hand out cards as people get off the bus.
2. When they return, have your travelers turn in their cards. IF you're short a card from the deck, you're missing a traveler.
3. Shuffle the deck between stops, and repeat at each stop.
4. At the end of the trip, you can hand out prizes to the travelers who accumulated poker hands or Po-Ke-No sheets.
