

# THE “ADVENTURE” INTINERARY

Laredo is known for being the nexus of both Mexican and American culture and what better way to celebrate that than to explore the literal meeting place of those two countries. Adventurers visiting Laredo can get their adrenaline fix by **kayaking the Rio Grande River**.

Before your trip, be sure to book a stay at one of our many comfortable hotels that fit every budget. From full-service to boutique, you’re sure to find accommodations to your liking and get a good night’s rest before and after your journey.

Of course, a filling breakfast on the day of your adventure is a must. **Vica’s Delights Bistro** has both savory and sweet delights on their breakfast menu and is the perfect spot to go over the day’s plans.

Once out on the river, you can become one with nature, soaking up the sun and listening to the beautiful birds along the river’s edge. Sure, you’ll need some upper body strength and endurance to get through this outing, but once you complete it and cross it off your bucket list, you’ll feel an overwhelming sense of accomplishment. How many other chances are you going to get to kayak between two countries?

After your kayaking adventure, it’s time to replenish your energy levels and recap the day’s experiences. **Rooftop Lounge** has a great atmosphere with amazing food, and depending on what night you’re there, you can even enjoy live music on the rooftop.

Before you leave Laredo, don’t forget to stop by the **Visit Laredo gift shop** for your official Laredo souvenir to always remember this special trip. From shirts to sunglasses and tequila shot glasses, you’re sure to find that perfect gift for yourself or your loved ones.
