

Bug Splat Bingo

Pass the time on a motorcoach entertaining your group with the unusual game of Bug Splat Bingo!

Materials:

- A blank transparency sheet
- Tape for the transparency
- Prize for top three winners
- Black marker
- Ruler

Instructions:

This game works best for summer motorcoach trips. First, with your black marker and ruler, draw one square for each passenger on the blank transparency sheet. Number these squares and assign its passenger one of these numbered squares.

If too many passengers want to play, seat partners can co-own a numbered square and split the prize.

Next, tape the transparency onto the inside front window of the bus. Make sure it does not interfere with the driver's view. Announce that near the end of the trip, the owner(s) of the numbered square with the most bug splats on it wins. Be ready to hand out prizes to top three.
