

Motorcoach Web Insructions

Choose one question from the twenty below to share your answer with the group.

Materials:

- String or Wool
- Pens, one per group member
- 20 Questions printout, one per group member

Instructions:

1. First, hand out the 20 Questions printout to everyone in the group and tell them to pick one to answer to the group.
2. After you answer one of the questions yourself, hold on to the end of the string and throw the string to someone else to catch.
3. The catcher can then answer whichever of the questions they choose for the group.
4. Repeat step three until a web is created and everyone has answered at least one question.
5. Be sure to mention at the end that everyone played a part in creating this unique web and if one person was missing from the tour, that the web would look totally different.
