## EXPERIENCE

# "A Day in Cape May"

### 9:30AM: Combination Physick Estate, Historic District Trolley Tour and Carroll Gallery Exhibit

A tour of the Physick Estate today offers a look back at our Victorian past as evidenced by its architecture, decorative arts, customs and the lives of one particular Cape May family, the Physicks. Emlen Physick Jr., his widowed mother, Frances Ralston, and his maiden aunt, Emilie Parmentier, moved into their home when it was completed in 1879. Emlen, who never married, was descended from a famous and wealthy Philadelphia family. His grandfather, Dr. Philip Syng Physick, was considered the father of American surgery and invented numerous surgical procedures and medical instruments that are still in use today.

Then visit Cape May on board our quaint trolley and travel through the Historic District as a knowledgeable guide presents entertaining and educational stories about the nation's oldest seashore resort. See the oldest residential street in town, landmark buildings, gingerbread houses, Victorian architectural features and the Grand Dames of Cape May. Following the tour, your group will be escorted to the Carroll Gallery Exhibit to see our current exhibit.

### 11:45AM: Lunch at the Lobster House Restaurant

Enjoy lunch at The Lobster House Restaurant, serving the freshest seafood available, often from their fleet of commercial boats. Dine in one of their five unique and picturesque dining rooms overlooking Cape May Harbor.

### 1:30PM: Cape May Point Step-on Guide

Travel through West Cape May to the tip of Cape May's peninsula, which is one of the most celebrated migratory locations in North America. Entering Cape May Point State Park, you can view our fully restored Lighthouse, built in 1859. Then, it's on to Sunset Beach, where the sunken ship "Atlantus" is still visible, and you'll enjoy a short shopping stop.

### 3:30PM: Free time for Shopping or Sightseeing Downtown

Spend some time shopping at the Washington Street Mall and stroll the beautiful Victorian streets.
