just for your group!**

Dear Tour Planner:

We know your job is challenging. That's why we've put together several tour packages that are easy to personalize for **your** group. Whether you need a quick lunch as you pass-thru, an overnight stop in a great hotel, or a day filled with fun, we can help!

Just give us a call, then sit back and relax for a bit while all the arrangements are taken care of for you. You choose whether you want an interesting and entertaining historical tour, something a bit fun and whacky, or a mix of both.

It is necessary to divide groups of 30 or more into smaller groups due to the size limitations of some of our attractions. At the Convent groups will be broken down into groups of 8 to 10. Guests are also invited to visit downtown Concordia which boasts several clothing stores, gift shops, and two great antique shops. Each of our attractions is within seven blocks of each other allowing for quick and easy travel between the sites. Also available for tours is POW Camp Concordia, which housed over 4,000 German soldiers during WWII. We recommend visiting the two rooms of memorabilia at the Cloud County Museum prior to visiting the actual site.
